Learning the Language

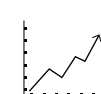

Most schools don't want you to speak Mandarin, because they want students to only speak with you in English.

However, learning Mandarin will help you get around China more easily.

Taking language classes or just using a language learning app will be quite useful while you're teaching in China, as long as you're not using Mandarin in the classroom.

Top 3 Advantages of Teaching in China

1 High earning potential

2 Numerous opportunities for career advancement

3 Strong expat communities

Top 3 Disadvantages of Teaching in China

1 Seasonal air quality

2 Popular cities can be crowded

3 The language barrier
