

Teaching Nomad

Full-service recruitment

Hire an all-star team with Teaching Nomad

With the increasing demand for international school teachers and administrators, picking the right recruitment partner is essential.

Utilizing the latest technology, a targeted marketing approach, & personalized service, TN continues to connect its clients with highly-qualified and motivated candidates.

About us

TN was founded in 2011 in Shanghai, China and has quickly grown into one of the top education recruitment firms in Asia. In November of 2016, TN opened the doors of its newest office based in Denver, USA.

Making the best match

We understand that every school has unique needs. Accordingly, we take the time to get to know our clients and what they're looking for.

Whether you need candidates with experience in IB, AP, or British National curriculum, we will help you find them.

Latest technology

Your client dashboard allows you to see your open job orders, review candidates, and even get an introduction.

Affordable, quality service

TN pricing is industry competitive, to ensure that you can use our services to fill all of your vacancies, not just the urgent ones. Our recruiters provide you with knowledgeable, well-prepared candidates who come with a minimum 90-day guarantee.

Our goal

- To be cost effective for our clients
- To reduce the level of teacher turnover
- To maintain a highly professional candidate pool

Our numbers

- 1,500+ new applicants each month
- Database of over 90,000 educators

Our track record

- #1 ranked recruiter on GoOverseas
- We have 150+ schools that trust us to recruit for them
- Over 95% of our teachers successfully complete their contracts

How our recruitment process works

- 1.** Applicants are pre-screened to ensure they meet minimum requirements
- 2.** We interview each candidate & gather employment documents and reference contact information
- 3.** We present suitable job options to the candidate
- 4.** We send you candidates that are both interested and qualified for your vacancy
- 5.** You can manage your candidates through the online client dashboard
- 6.** The decisions to interview and hire candidates are completely up to you
- 7.** You make the offer and hire the candidate directly
- 8.** We stay in touch with the candidate and help them prepare to move overseas

Working with your account manager

Every one of our clients is assigned a native English speaking account manager who they work with year after year.

Your account manager's job is to:

- Be your personal HR assistant
- Personally review every candidate before they're sent to you
- Understand your school's needs
- Customize hiring solutions to meet staffing needs

Our team is:

- Reliable
- Easy to work with
- Committed to finding you the best candidates

Our partnerships and programs

We value all of our partnerships and work hard to ensure that our clients receive only the best candidates from us.

Teaching Nomad is a trusted name in international teacher recruitment, and we make a point to keep that reputation.

A few of our clients:

Client & Teacher Reviews

“

I really appreciate the initiative and thoughtful attention to detail that Teaching Nomad provides - it's my pleasure to recommend them to teachers and employers.

**Brantley Turner | Principal
Shanghai, China**

“

Teaching Nomad has been an invaluable resource for staffing teachers at our schools in China. I highly recommend them for their high quality candidates and professional practices.

**Adam Kirk Edgerton | Previous VP
Shanghai, China**

“

Teaching Nomad has been wonderful to work with. The team is amazingly efficient and has provided our school with many successful teaching and administrative candidates. Our exclusive account manager is immediately responsive to our school's needs, and has provided us with many strong applicants. I can't speak highly enough of the work Teaching Nomad does. I place great trust in what their team does.

**Kelley Ridings | International K-12 Principal
SMIC Private School, Shanghai, China**
